Lent

The news today is often concerned with the rights and wrongs of current affairs. Rex is going to look at four of these issues this Lent. On Wednesday evenings starting 29th February from 7.30pm to 9.00pm (immediately after our mid week Communion Service) he will be looking in some detail at the issues around:-

- Euthanasia
- War
- Stem Cell Research
- The Financial Crisis in Europe

Rex will use these as his sermon topics on a Sunday, but because of the time constraints on a Sunday, these sermons will only form an introduction.

Leaflets with more information and the dates are available at the Information Desk.
